COMMENTS FROM THE TOWN MANAGER'S OFFICE

Plans are currently being made to start the State Aid construction next Monday on East Bethel road. Mr. Landers and Mr. Douglas from the Highway Commission Division Office in Rumford were in town on Tuesday and visited the site of the proposed project with several of the municipal officers and road foreman. There is \$7,440.00 available for this work. One large item of cost are two culverts. One culvert is 78 feet by 48 inches and the other 50 feet by 18 inches, both paved and cost \$1,300.10. Therefore there will be a little over \$6,000 for excavation, fill, base and surfacing.

A penetration coat of 6,300 gallons of MGS asphalt has been applied to that part of the Northwest Bethel road that was recently rebuilt. Provisions should be made in the budget for next year to have funds available to apply at least one inch mulch over the penetration coat.

The initial response on payment of taxes since the mailing of the tax bills has been satisfactory. Enough funds have been received to avoid making further tax anticipation loans.

On Thursday of this week the State Tax Assessor will be at the Municipal Building in Rumford. Assessors in the Rumford area are required to bring the valuation book for inspection by the State Assessor. This provides an opportunity for Assessors to ask questions. Bethel will be represented at this meeting by John Carter and Harold Bennett.

Sincerely,
Harold L. Bean

TODAY'S meditation

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Thursday, August 14

Read John 10:1-5

A stranger will they not follow, but will flee from him: for they know not the voice of strangers. (John 10:5)

IN Palestine a guide told our family an unforgettable fact. He said that if a sheep is lost the owner will go to a neighboring shepherd, asking him if he has a sheep not of his flock. The other shepherd answers, "I don't know, but I'll see." He leaps upon a rock and gives his call. His own sheep lift their heads, but one goes on grazing.

Then the other shepherd leaps upon the same rock and gives the call. This time, the flock of sheep goes on grazing, but one sheep lifts its head. "That is my sheep," he says. He takes his sheep and goes home rejoicing.

Sheep know their own shepherd's voice and respond by following. In this regard do they not put us human beings to shame? We hear the voices of business, social life, luxury, radio or television—yes, even the humdrum tasks of every day. Above all, let us listen for and heed the voice of the great Shepherd, who calls us, His sheep, to follow Him.

PRAYER: Our Father, in this world where there are so many voices calling, help us to keep our hearts open and attuned to Thy still, small voice. May we remember to seek first Thy kingdom and Thy righteousness. In Christ's name. Amen.

Thought for the Day
"The sheep follow him: for they know his voice."
